**SUPPLEMENTARY INFORMATION:**

**I. Abstract**

The Assistant Secretary – Indian Affairs is seeking renewal of the approval for the information collection conducted under OMB Control Number 1076-0135, Reporting System for Public Law 102-477 Demonstration Project. This information allows the Office of Indian Energy and Economic Development to document satisfactory compliance with statutory, regulatory, and other requirements of the various integrated programs. Public Law 102-477 authorized tribal governments to integrate federally funded employment, training, and related services and programs into a single, coordinated, comprehensive service delivery plan. Funding agencies include the Department of Labor, and the Department of Health and Human Services. Indian Affairs is statutorily required to serve as the lead agency and provides a single, universal report format for use by tribal governments to report on integrated activities and expenditures. The IEED shares the information collected from these reports with the Department of Labor and the Department of Health and Human Services. There are no forms associated with collection. No third party notification or public disclosure burden is associated with this collection.
